

Race format for all Super Sedan Association rounds:

HEAT RACES: 10 LAPS EACH

FEATURE RACE: 40 LAPS

Each driver will contest two (2) Heats or three(3) Heats:

The draw will be done at drivers briefing:

After all heats are completed you will have all point scores from Highest to Lowest:

In the event of equal points, the fastest time during any of the heats will determine the positions: The highest point scorer will be our **“PENRITE HIGHEST POINT SCORER.”**

The top eight (if the car count is above 16) or top six (if the car count is below 16) point scorers will draw a bottle from the Penrite Bucket, the bottle will have a number on the bottom and this will determine your starting position.

The remaining cars will start as per points.
